(f) A detailed statement of any relationship which may exist at the time of registration, other than through employment, between the registrant and any foreign government or foreign political party.

(g) Such other statements, information, or documents pertinent to the purposes and objectives of the act as the Attorney General, having the regard for the national security and the public interest, may require by this part or amendments thereto.

#### Section 12.23 Deficient registration statement

A registration statement which is determined to be incomplete, inaccurate, misleading, or false, by the Chief, Registration Section, may be returned by him to the registrant as being unacceptable for filing under the terms of the act.

#### Section 12.24 Forms.

(a) Every person required to register under the act shall file a registration statement on Form GR-1, and such other forms as may from time to time be prescribed by the Attorney General.

(b) Matter contained in any part of the registration statement or other document may not be incorporated by reference as answer, or partial answer, to any other item in the registration statement required to be filed under the act.

(c) Except as specifically provided otherwise, if any item on the form is inapplicable, or the answer is "None," an express statement to such effect shall be made.

(d) Every statement, amendment, and every duplicate thereof, shall be executed under oath and shall be sworn to before a notary public or other officer authorized to administer oaths.

(e) A registration statement or amendment thereof required to be filed shall, if possible, be typewritten, but will be regarded as in substantial compliance with this regulation if written legibly in black ink.

(f) Riders shall not be used. If the space on the registration statement or other form is insufficient for any answer, reference shall be made in the appropriate space to a full insert page or pages on which the item number and item shall be restated and the complete answer given.

Section 12.25 Amended registration statement.

(a) An amended registration statement may be required by the Chief, Registration Section, of any person subject to the registration provisions of the act whose original registration statement filed pursuant thereto is deemed to be incomplete, inaccurate, false, or misleading.

(b) Amendments shall conform in all respects to the regulations herein prescribed governing execution and filing of original registration statements.

(c) Amendments shall in every case make appropriate reference by number or otherwise to the items in original registration statements to which they relate.

(d) Amendments shall be deemed to have been filed upon the receipt thereof by the Registration Section.

(e) Failure of the Chief, Registration Section, to request any person described in section 2 of the act to file an amended registration statement shall not preclude prosecution of such person for a wilfully false statement of a material fact, the wilful omission of a material fact, or the wilful omission of a material fact necessary to make the statements therein not misleading, in an original registration statement.

Section 12.30 Burden of establishing availability of exemptions.

In all matters pertaining to exemptions, the burden of establishing the availability of the exemption shall rest with the person for whose benefit the exemption is claimed.

Section 12.40 Public examination.

Registration statements shall be available for public examination at the offices of the Registration Section, Department of Justice, Tenth Street and Pennsylvania Avenue, N. W., Washington 25, D. C., from 10:00 a.m. to 4:00 p.m. on each official business day, except to the extent that the Attorney General, having due regard for the national security and public interest, may withdraw such statements from public examination.

Section 12.41 Photocopies.

(a) Photocopies of registration statements filed in accordance with section 2 of the act are available to the public upon payment of fifty cents

per photocopy of each page, whether several copies of a single original page or one or more copies of several original pages are ordered.

(b) Estimates as to prices for photocopies and the time required for their preparation will be furnished upon request addressed to the Registration Section, Department of Justice, Washington 25, D. C.

(c) Payment shall accompany the order for photocopies and shall be made in cash, or by United States money order, or by certified bank check payable to the Treasurer of the United States. Postage stamps will not be accepted.

Section 12.70 Partial compliance not deemed compliance.

The fact that a registration statement has been filed shall not necessarily be deemed a full compliance with the act on the part of the registrant; nor shall it preclude prosecution, as provided for in the act, for wilful failure to file a registration statement, or for a wilfully false statement of a material fact therein, or for the wilful omission of a material fact required to be stated therein.

-----

This order shall become effective upon its publication in the Federal Register. Compliance with the provisions of section 1 of the Administrative Procedure Act (U.S.C. 1946, 5 U.S.C. 1003) relative to notice of rule making, and delayed effective date is impracticable and contrary to the public interest in this instance, for the reason that such compliance would unduly delay and impede the implementation and administration of the act of August 1, 1956, Public Law 93, 24th Congress, and 1956-127.

Dated: August 1, 1956.

Attorney General
